

# APPROVAL OF INSTALLED RAMPING SYSTEM

(sample document)

On this date, \_\_\_\_\_ a ramping system has been installed at the home of

Funding of this ramp is to be provided by \_\_\_\_\_ .

I have inspected this ramp system for structural soundness and found it to meet or exceed the required specifications. I agree that this ramp system has been installed in a location acceptable to me and in a location suitable to my needs.

I understand that maintenance is required on this ramp system and agree to use the attached maintenance and safety sheet in order to keep my ramp system in good working condition. If for any reason I feel that there is a problem with the ramp, or that any repairs are required, I will not use the ramp and immediately call \_\_\_\_\_ for required assistance.
